

Orchid Orthopedic Solutions Launches a Redesigned Website, Providing More Information and Easier Navigation

HOLT, MI September 4, 2012 – Orchid Orthopedic Solutions' recently redesigned their website www.orchid-ortho.com. The new design allows for easier access and site navigation including drop down menus and a search field. It highlights Orchid's Core Values, a code of conduct which is the basis for all of our relationships. It also features our Expertise, describing what services are provided to the medical device industry.

The new website also features a blog and online resources such as brochures, white papers and industry links. It will be growing and evolving over the next year so we can keep offering our customers the best and most current industry and technical information.

Please take a minute to visit our new website at www.orchid-ortho.com. We welcome your feedback. If there is something you would like to see, please let us know. We may already be working on it.

About Orchid

Orchid is a worldwide leader in contract design and manufacturing for the orthopedic, dental and cardiovascular markets. Orchid's mission is to be the leader in contract by compressing time to market, providing new technology and being the best total supply-chain value.
